Profile

Hello! I'm Nika Nishnianidze, a seasoned JavaScript Developer with three years of experience in both front-end and back-end development, specializing in the MERN and PERN stacks. I excel in crafting sleek interfaces using SASS/SCSS, Tailwind CSS, and Styled-Components, and ensuring smooth functionality with Redux, Zustand, and useContext. Excited to apply my expertise and collaborate on meaningful projects

Education

Sep 2018 - Jun 2020	**Business Management** **Ilia State University, Tbilisi**
Sep 2016 - May 2018	**Philosophy** **Ilia State University, Tbilisi** After studying philosophy for two years, I developed an interest in economics and switched faculties.

Employment

Sep 2021 - Dec 2023	**Frontend Developer** **Lime Consulting, Ukraine, Kyiv (Remote)** This job was also a fantastic experience where I tackled new challenges, working on the frontend of various gambling websites.
Apr 2020 - Aug 2021	**Frontend Developer** **Smartweb, Tbilisi** My first job was a great learning experience where I worked on various projects and gained a lot of hands-on experience in frontend development.

Certificates

Feb 2020	Smart Academy - Front-End Development Course A(90+ out of 100)
